VP Underwriting
Workers' Compensation

ICW SELECTED FIRSTBEST TO PROVIDE TRUE EASE OF DOING BUSINESS WITH REAL-TIME COLLABORATION.

ICW wanted to make it truly easy for their agents and brokers to do business with them. They chose the FirstBest Underwriting Management System to enable real-time agent/underwriter collaboration, instant access to data, and visibility into the submission process.

The FirstBest UMS is a comprehensive underwriting solution that helps commercial-lines carriers increase underwriting productivity, capture and share underwriting knowledge and best practices, and significantly improve ease-of-doing-business.

For more information or to view our UMS Tour, please visit us at:
